

Financial & Business Controller

As a Financial & Business Controller, you will be working in an exciting environment alongside competent and dedicated colleagues. We are a small, but dynamic & energetic team, always doing our best to help and assist each other in all aspects. We are very passionate and proud of the brand we are representing.

As part of the Jeanerica team you will get to work on a growing business and have a significant and tangible impact on its success each and every day. You will conceive, plan and execute new ideas, strategies and tactics and see them all the way through to completion.

The role of the Financial & Business Controller provides you with a broad understanding of our business and gives a solid basis for future development within the company. Your assignments will range from complex analyses to more standardized follow-up tasks. You will mainly work with day-to-day tasks within the finance and production department, but occasionally be involved in larger projects. The role includes both domestic and international contacts, including weekly contacts with Jeanerica's main partners and suppliers.

The function will report to the CEO.

Areas of responsibilities:

- Direct responsibility for the entity's accounting
- Improving and controlling accounting policies
- Responsible for profitability analyzes and follow-up on Jeanerica specific KPI:s
- Financial analysis and business controlling
- Sales follow-up and sales analysis
- Supplier contacts, negotiations and order placements
- Stock control and analysis of all Jeanerica stock, including products, fabrics, trims, labels and etc.
- Other types of analyses, business evaluations and calculations
- Proactive work to continually develop our systems
- Planning and coordinating external audits
- VAT reporting
- Implementation and development of potentially new business systems (ERP, PDM/ PLM)
- Assisting the company's Creative Director and CEO with various tasks

DESIRED QUALIFICATIONS

- Preferably a Bsc in marketing, business administration, engineering or similar
- Professional experience within accounting and/or finance in a multinational environment is preferred
- Fluency in English and Swedish is required, additional language skills a merit
- Positive "can-do" attitude with the ability to drive improvement projects
- Strong planning, organizational, social and problem-solving skills
- Previous retail and e-commerce experience is an advantage

Jeanerica in brief

Jeanerica Jeans & Co is a Swedish premium denim brand founded by Lena Patriksson Keller and Jonas Clason in Stockholm in 2017. Constructed to last from sustainable high-quality fabrics and finished using the best techniques available the Jeanerica range features essential styles in perfect fits with understated details and expert washes.

The Jeanerica products are sold at www.jeanerica.com and through 60+ top-tier retailers in more than 10 countries; amongst others in Stockholm, Tokyo, Copenhagen, London and Paris. The headquarter and showroom of Jeanerica is located in Stockholm, Sweden.

To apply, please send your CV and cover letter to suhrab@jeanerica.com.

As we interview candidates continuously, we ask you to kindly send your application as soon as possible.
